Reviews

Molecular Mechanisms of the Relationship between Thyroid Dysfunctions and Diabetes Mellitus

A. O. Shpakov 257

Comparative and Ontogenic Biochemistry

Carotenoids in the Gonads of the Bivalved Mollusk *Anadara kagoshimensis* (Tokunaga, 1906)

A. V. Borodina 267

4-oxo-1,4-dihydrocinnoline Derivative with Phosphatase 1B Inhibitor Activity Enhances Leptin Signal Transduction in Hypothalamic Neurons

I. O. Zakharova, V. N. Sorokoumov, L. V. Bayunova, K. V. Derkach, and A. O. Shpakov 273

Free Amino Acid Profile in Blood Plasma of Bats (*Myotis dasycneme* Boie, 1825) Exposed to Low Positive and Near-Zero Temperatures

L. A. Kovalchuk, V. A. Mishchenko, N. V. Mikshevich, L. V. Chernaya, M. V. Chibiryak, and A. P. Yastrebov 281

Effect of Cestodal Infestation on the Distribution Pattern of Digestive Enzyme Activities along the Small Intestine of the Kittiwake (*Rissa tridactyla*)

M. M. Kuklina and V. V. Kuklin 292

Defense Responses and Changes in Symbiotic Gut Microflora in the Colorado Potato Beetle *Leptinotarsa decemlineata* under the Effect of Endophytic Bacteria from the Genus *Bacillus*

A. V. Sorokan, G. V. Benkovskaya, D. K. Blagova, T. I. Maksimova, and I. V. Maksimov 300

Comparative and Ontogenic Physiology

Evaluation of Glucose Absorption Level in the Small Intestine of Different Rat Strains under Natural Conditions

A. A. Gruzdkov, Yu. V. Dmitrieva, A. S. Alekseeva, A. S. Polozov, and L. V. Gromova 308

Effect of Early Sucrose Diet on Ethanol Preference and Behavior in Male and Female Wistar Rats	
<i>M. V. Dorofeikova, E. V. Filatova, A. A. Orlov, and A. Yu. Egorov</i>	316
Prenatal Effect of Fluoxetine on Nociceptive System Reactivity and Psychoemotional Behavior of Young Female and Male Rats	
<i>V. A. Mikhailenko and I. P. Butkevich</i>	322
Effects of Nimodipine, Calcium-Free Medium and Colchicine on Electrogenesis of Neurosecretory Retzius Cells in the Leech <i>Hirudo medicinalis</i>	
<i>S. S. Sergeeva, A. A. Laktionova, and N. Yu. Fomina</i>	332

Short Communications

Diclofenac Eliminates Respiratory Effects of the Tumor Necrosis Factor in Rats	
<i>V. G. Aleksandrov, T. S. Tumanova, and N. P. Aleksandrova</i>	338
Timing of the Onset of Aggressive and Sexual Behaviors in Male Crickets <i>Gryllus bimaculatus</i> and <i>Gryllus locorojo</i>	
<i>A. N. Knyazev and M. K. Zhemchuzhnikov</i>	342
